

Be Thou My Vision

Four Arrangements You Can Learn

'Be Thou My Vision' is a wonderful song that has been sung by millions for centuries! I've put together four lovely arrangements that you can learn. The first arrangement is easiest enough for the newest guitar player.

There is instruction on how to hold a guitar pick and three easy chords to use. As the arrangements advance, there are more challenging chords to learn and finger picking patterns to master.

This is perfect as a gift for a friend, or for yourself. The arrangements are available in DVD format or as an Instant Streaming Video that you can watch right away. The last arrangements includes 10 chords, and open chords up the neck. It's sounds great and is fun to play too.
