

Jean Welles Worship Guitar Class™ for Kids

"Easy to follow Christ-Centered Guitar Lessons for Your Child."

Dear Parent or Friend of a Loved Child:

Does your child enjoy music? Does he, or she, like to sing around the house? Have they ever expressed an interest in learning to play the guitar?

You know, children learn differently than adults. I've taught kid's guitar classes of little kid's, age 5 - 9, and know this from experience.

They NEED to Start Slower

I'm pleased to offer this Jean Welles Worship Guitar Class™ for Kids program. This worship guitar class program for kids will not only teach your child how to play the guitar but can also help them develop a heart of worship. The lessons start with one finger chord worship songs and plucking out melodies with individual fingers. Here is what your child, or children, will learn.

With Kid's Worship Guitar Lessons Your Child Will Learn:

- ◆ How to hold down a note to get a clear tone on the guitar.
- ◆ couple worship songs with the melody plucked to **strengthen their hands.**
- ◆ Half a dozen worship songs they can sing & play..
- ◆ **11 guitar chords .**
- ◆ How to read guitar tab and chords charts.
- ◆ How to make up their own verses.
- ◆ Christian Values in each song

With Kid's Worship Guitar Lessons Your Child Can

Watch a Peer

Instead of just teaching, I wanted your child to relate to another child learning. The lessons are filmed with Abigail. You can see an excerpt of lesson one in the video below. This is a little over half of the first lesson.

What comes with the 'Jean Welles Worship Guitar Class™ for Kids' Program?...

- ◆ A DVD with 9 Lessons, 2 1/2 hours long.
- ◆ A downloadable eBook - over 30 pages!
- ◆ **A Practice Session** for every lesson, that starts with prayer.
- ◆ A Practice Chart you can photocopy.
- ◆ Options for including a **Kid's Guitar**.
- ◆ **NEW - Option for online Streaming Videos**

Does your child need a guitar? For your convenience, we offer two very nice kid's guitars packaged with our program. They are options on the Order Page.

At a large music trade show a company from China approached me. Usually I don't like the quality of guitars from China, but I was impressed with their instruments. They told me they had purchased the tooling from Japan.

That made sense! Japanese make very good guitars. These instruments are now available at this web site. They have the quality of a good Japanese guitar at Chinese prices. They will be shipped in a sturdy shipping box.

"My son has enjoyed the Kids Guitar Lessons DVD and is really doing well. The guitar we bought from you sounds really great for such a reasonable price, and the case is just right for him to carry and protect it. Since things are going so well, I plan to buy the adult DVD class along with a guitar from you also so I can play with him!"

– Manny Venegas

Did you know that there are Many Benefits in Playing and Learning Music?

Researchers at the University of Montreal used various brain imaging techniques to investigate **brain activity** during musical tasks and found that sight-reading musical scores and playing music both activate regions in all four of the cortex's lobes.

Grades go up. I've always heard the studies done, but then a woman at a trade show told me that her daughter loved my Worship Guitar Class program and that her grades at school actually started improving too!

When a child is shy, music can be the bridge to **bring them out of their shyness.** I know a Kindergarten teacher that always recommended getting involved with an instrument for very shy children... it works!

Studying **music encourages self-discipline and diligence,** traits that carry over into intellectual pursuits and that lead to effective study and work habits.

Studies show that kids learning music have significant improvement of spatial-temporal scores - useful for Math & Science!

Music has a great power for **bringing people together.** This can be the beginning of a lifetime hobby and source of joy.

A two-year Swiss study involving 1,200 children in 50 schools showed that students involved in the music program were better at languages, learned to read more easily, showed an improved social climate, showed more enjoyment in school, and had a **lower level of stress** than non-music students

Worship elevates Music to a Higher Realm and Enriches our Lives!

We are told to keep our eyes on Jesus. Participating in worship helps us to focus on Him. **When we are focused on God, we experience His Peace.**

It's a way we can say "Thank You" back in appreciation for all He has given us.
In His presence is Fullness of Joy.
It's easier to hear God's voice when we are focused on HIM.
We were made to worship God and it blesses God and us!

What Other's Say

"The kid's version of the Worship Guitar Series has been outstandingly received down here. The kids enjoy it. It's at a level they can understand. The parents enjoy it because we don't have a lot of people in our area, we're a small South Texas town, that provide guitar training or anything like that. And having the DVD and Book together they feel like it's wonderful for their kids. The product itself has been very well received."

Maureen Spruill, Foundation Christian Resource Center in Pleasanton, TX.

You might ask how will this cost me?

When I was taking private students. The minimum was \$30 a half hour for teaching kids. Nine lessons would have cost \$270.
